

A. Introductory Comments

Based on the above amendments and remarks to follow, reconsideration of this application is respectfully requested.

This amendment is responsive to the office action dated April 28, 2005. A request for a two month extension of time is enclosed herewith. It is requested that Deposit Account No. 502158 be charged for the large entity extension of time fee (\$450) as well as for the claim fees required for entry of this amendment. However, as a number of claims have been cancelled and none have been added its is submitted that no claim fee is due.

In the office action, claims 1-48 were rejected under 35 U.S.C. 102 (e) as anticipated by the patent to Lumelsky ET al. [US 6,516,350]. Further, claims 1,12 were rejected under 35 U.S.C. 112 as being indefinite for failing to particularly point out and distinctly claim the subject matter. In order to more clearly define, and distinctly claim the present invention from the prior art including that cited herein, claims 1-5,7-16,20-24,27-40, and 44-48 have been amended. Claims 6, 17-19, 25-26 and 41-43 are canceled without prejudice.

In response to the rejections, the claims have been amended as set forth in the next section.
